

# **A Quick Guide To Industrial Products From Process Engineering & Equipment Co.**

**Phone:(800)245-1961 Fax:616-78-5436**

**Grand Rapid, MI - Detroit, MI**

**www.pecopage.com**

## **PUMPS**

**WARREN RUPP Sandpiper\***  
Air operated diaphragm pumps.  
Large selection in stock.

### **ITT A-C\***

Largest inventory of 2000 series  
pumps and parts in the USA.

### **MP PUMPS**

Quality centrifugal and self-  
priming pumps including stainless  
steel pumps and hot oil pumps.  
[Made in Michigan.](#)

### **PERIFLO**

Peristaltic hose pumps.

### **AQUAVAR**

Variable Speed Pumping control  
by ITT.

### **G&L GOULDS\***

Cast Iron and Stainless steel  
centrifugal pumps. Waste water  
and sewage submersible pumps.

### **LOBEE PUMP CO.\***

Gear pumps to 26 gpm and liquid  
ring vacuum pumps.

### **CARVER PUMP CO.\***

Horizontal end-suction, vertical  
and multi-stage high pressure  
pumps.

### **FLOWSERVE-INNOMAG\***

Innovative mag-drive pumps,  
superior design and performance.

### **VERTIFLO**

Vertical process pumps, self-  
priming, and sump pumps.

### **WARRENDER / CASTER**

Mag drive and seal-less process  
pumps.

### **MDM / SEQUENCE 1000\***

Chemical duty pumps constructed  
of Noryl and Polypropylene.

### **MTH PUMPS**

Horizontal and vertical, seal-less  
and mechanically sealed industrial  
pumps.

### **PRICE PUMP**

Horizontal and vertical, seal-less  
and mechanically sealed industrial  
pumps.

### **PUMPER PARTS**

All aftermarket AODD pump parts.

### **PACER**

Thermoplastic self-priming verti-  
cal and horizontal centrifugal  
pumps.

- **GOULDS TURBINE PUMPS**
- **VIKING PUMP INC.**
- **EBARA**
- **PULSAFEEDER**
- **HAYNES**
- **GUSHER/RUTHMAN**

### **PUMP REPAIR**

Service and parts for most brands  
of pumps and pump accessories.

## **COOLING TOWERS, HEAT EXCHANGERS, & MAKE-UP AIR**

### **BALTIMORE AIRCOIL COMPANY**

Cooling towers, evaporative  
condensers, industrial fluid  
coolers, and thermal storage  
systems.

### **WCR**

Complete plate and frame heat  
exchanger service, cleaning and  
aftermarket plates/gaskets.

### **ITT**

Shell and tube heat exchangers.

### **PAUL MUELLER CO.**

Accu-Therm plate and frame heat  
exchangers, template coils.

### **COLMAC COIL**

Heating & Cooling coils / fluid  
coolers.

### **MERSEN**

Graphite block and shell and tube  
heat exchangers for highly corro-  
sive duty.

### **ABSOLUTAIRE, INC.**

Direct fired make-up air units.

## **FILTERS & MIXERS**

### **ROSEDALE\***

Liquid filtration products, [Made in Michigan.](#) Filters, Strainers, Sep-  
arators, Single and Multi-bag  
housings, Cartridge housings,  
Polypropylene, carbon steel and  
stainless steel construction.  
Cartridge and bag media.

### **AMIAD / PEP / ARKAL**

Automatic self cleaning filters.  
Flows up to 32, 000 gpm. Sand  
Filters and auto-cleaning strainers.  
Low maintenance, small footprint  
water savings. Applied in municipi-  
pal, irrigation, and industrial sites.

### **EATON FILTRATION**

Formerly Ronningen-Petter filters.  
Bag filter and bag cartridges.

### **PEP / ARKAL**

Part of the AMIAD family providing  
sand filters and Spin filtration.

### **FUSION FLUID MIXERS**

Quality mixers of all types, [Made in Michigan.](#) Lab mixers, drum & tote  
mixers, portable mixers, sanitary  
mixers, large scale industrial mix-  
ers as well as custom designed  
mixers for your application.

## **CHILLERS & BOILERS**

### **YORK**

Refrigeration technology: pack-  
aged centrifugal and screw liquid  
chillers; condensers; and heating  
and cooling coils.

### **THERMAL CARE**

Specialty chillers and cooling  
towers.

### **PARKER BOILER**

Packaged steel water tube boilers,  
high-pressure steam and hot water

### **Hurst Boiler**

Hot water, Steam, and bio-  
fuelled boilers of almost every  
shape and size. Firetube,  
vertical, and accessory equip-  
ment for any design needs you  
may have.

### **WARE INC.**

Rental boilers and chillers. Mobile  
boiler rooms, trailer mounted as  
well as a variety of new or used  
equipment in stock and ready for  
shipment.

## **RELATED PRODUCTS, ACCESSORIES & SERVICES**

### **SPENCE\***

Steam traps, pressure reducing  
valves, control valves.

### **WARREN CONTROLS**

Control valves for industrial,  
HVAC, and general service.

### **TRIAD\***

Butterfly valves, sanitary and  
general service ball valves with or  
without actuation.

### **THERMAL CARE**

Specialty chillers /cooling towers.

### **XYLEM RO SYSTEMS**

Reverse Osmosis systems start-  
ing at 1GPM and sediment filters.

### **EZCLEAN**

PECO release coating for heat  
transfer surfaces.

### **ENERVEX**

Commercial exhaust solutions and  
design venting.

### **SELKIRK / heatfab**

Exhaust and venting material for  
boiler and grease applications.

## **HVAC PRODUCTS**

**The HVAC division of  
Process Engineering &  
Equipment Co.** also carries a  
complete line of HVAC systems  
and components.

Including chillers, air handling  
units, cooling towers, heat  
Exchangers, boilers and  
accessories. Companies repre-  
sented include:

- YORK / JCI
- BALTIMORE AIRCOIL  
COMPANY
- PAUL MUELLER COMPANY

- SPENCE
- HURST BOILER
- COLMAC COIL

## **PACKAGED COOLING SYSTEMS**

**Process Engineering & Equipment Company offers:**

Complete packaged cooling water systems, chilled water systems and pump tank assemblies. Packages can be delivered preassembled on  
skids or as individual components. Configurations to meet your specific needs.

**Note:** \* Items are in stock for immediate delivery

**For more information on these quality products and services, contact your  
Process Engineering & Equipment Co. Sales Representative toll free at 1-800-245-1961**
