

QUICK PRODUCT GUIDE

PACKAGED HEATING & COOLING SYSTEMS

PECO Engineered Packaged Solutions - Made in Michigan

PECO delivers custom-engineered packaged heating, cooling tower, and chilled water skid solutions—designed to meet your exact requirements. Offered as pre-assembled packages for rapid installation or individual components for flexible integration, our systems streamline projects and maximize efficiency. Each skid arrives ready for immediate startup, reducing onsite labor, minimizing downtime, and ensuring reliable performance from day one.

COOLING TOWERS, CHILLERS & HEAT EXCHANGERS

BALTIMORE AIRCOIL COMPANY

Cooling towers, evaporative condensers, industrial fluid coolers, adiabatic, data center cooling and thermal storage systems.

COLMAC COIL

Heating & Cooling coils/fluid coolers.

PAUL MUELLER CO.

Accu-Therm plate and frame heat exchangers, chillers, fermenters, reactors, mixing and storage. Temp-Plate inflated heat transfer surface. Modular chillers, falling film, free heaters.

DUNHAM BUSH

HVAC & process scroll, screw, magnetic centrifugal and reciprocating chillers from 1 and up to 3000 tons, modular up to 584 tons.

CLIVET

HVAC air cooled heat pump solutions

KOOLJET REFRIGERATION SYSTEMS

Industrial & commercial refrigeration. Custom-engineered refrigeration for cold storage, food processing, and agriculture. Blast freezers, air coolers, evaporators and hydrocoolers.

DIRECT COIL

Custom heat transfer coils, fast turnaround on high-quality replacement coils for HVAC systems. Chilled water, hot water, steam, DX, and condenser coils.

THERMAL CARE

Portable/package chillers, central chillers, cooling towers and pumping systems.

ITT STANDARD XCHANGE

Shell and tube heat exchangers, brazed heat exchangers, plate & frame.

ABSOLUTAIRE, INC.

Direct fired make-up air units.

THERMAL CARE

Fiberglass cooling towers

THERMOPLUS AIR INDUSTRIES

Indoor air quality & custom HVAC systems. Customized air handling units for heating, cooling, dehumidification, and filtration.

HEXONIC

Stainless brazed, SS and Ti shell and coil, large custom SS shell and tube.

STEAM BOILERS, CONDENSING BOILERS, DEAERATORS, FEED TANKS, RENTALS AND RELATED PRODUCTS

CAMUS BOILERS

Extensive line of gas fired high efficiency copper tube and stainless steel condensing and non-condensing boilers.

BKBD BOILERS

Ultratec boilers fire on gas, ULSD oil, or both, with an all 316L stainless steel construction for corrosion resistance. Perfect for biogas applications.

ADVANCED COIL

Heavy duty stainless steel heating coils.

HURST BOILERS

All-American maker of packaged steam, hot water, and biomass boilers with PLC controls and low-NOx burners. 6–2000 HP, up to 450psi.

WEISHAUPT BURNERS

Package gas and fuel oil burners for retrofit or new applications.

JOHNWOOD COMPANY

Expansion tanks, air separators, and other hydronic accessories.

CANNON BOILER WORKS

Complete line of industrial heat exchangers, boiler economizers, steam accumulators and condensers.

PEERLESS BOILER

Packaged cast iron, condensing hot water, and indirect heaters.

AUTOFLAME

Advanced burner controls and retrofit packages to increase efficiencies and reduce emissions in existing plants.

WARREN CONTROLS

Deaerator components.

TLV

Steam Specialty Co: steam traps, PRVs, pump traps, steam separators, air vents and manifold stations.

WARE RENTAL BOILERS

24/7 emergency rental boilers, a complete inventory of boiler parts and professional factory boiler training service.

SELKIRK / HEATFAB / AMPCO

Single/double walled material for boiler and grease applications.

STERLCO STEAM PRODUCTS

Boiler feed and condensate packages, valves, strainers, and pumps for steam and hot water systems.

PUMPS, SEALS, VFDS

GRUNDFOS

Full range of multi-stage, machine, and booster systems for commercial and industrial applications.

ITT A-C / XYLEM A-C 2000

Largest inventory of 2000 series pumps and parts in the USA.

PEERLESS

Pump types included vertical turbine, split case and end suction. Available in a wide range of materials and sizes.

G&L GOULDS

Pump types included vertical turbine, split case and end suction. Available in a wide range of materials and sizes.

WARREN RUPP SANDPIPER

Industrial air operated diaphragm pumps. Large selection in stock.

CARVER PUMP CO.

Horizontal end-suction, vertical and multi-stage high pressure pumps.

FLOWERVE-INNOMAG

Innovative mag-drive pumps, superior design and performance

VERTIFLO

Industrial horizontal end suction & vertical seamless pumps.

ABEL

Specialized electric air diaphragm pumps suitable for abrasive, aggressive and even shear-sensitive media.

FINISH THOMPSON

Drum and container pumps, self-priming, and drum pumps.

GORMAN-RUPP

Self-priming trash pumps - duty ranges from electrical to engine driven including priming assisted. Packaged systems, lift stations, submersible pumps, centrifugal and gear pumps.

PUMP SEALS

Pump seals: for all makes and models

GRUNDFOS VFDS

Grundfos CUE is an external variable frequency drive sold separately or integrated with a pump.

OTHER PUMPS

- WARRENDER
- MDM / SEQUENCE
- MTH PUMPS
- VIKING PUMPS
- EBARA
- PRICE PUMP
- PULSAFEEDER
- HAYNES
- GUSHER/RUTHMAN
- AODD PARTS
- LIBERTY
- EDDY PUMPS
- HEVY PUMPS
- CURFLO
- PACO
- GRANZOW PERISTALTIC PUMPS

QUICK PRODUCT GUIDE

VALVES

WARREN CONTROLS

High-performance control valves including globe valves, rotary valves, and specialty valves for HVAC, steam, and industrial applications.

TRERICE

Pressure gauges, dial thermometers, RTDs, control valves, and regulators.

HENRY PRATT

High-performance butterfly valves (rubber-seated, double-offset, triple-offset), various check valves, and pneumatic and electric actuators.

BONOMI

Industrial ball and butterfly valves, check valves, electric and pneumatic actuators and automated valves.

TRIAD

High-performance industrial valves, including ball valves (standard, high-pressure, metal-seated), butterfly valves, and automated pneumatic and electric actuated

BRAY

High-performance valves (butterfly, ball, knife gate, check, and control), a full range of actuators (pneumatic, electric, hydraulic, and electro-hydraulic), and precision automation accessories like positioners, solenoids, and sensors.

FILTERS & MIXERS

ROSEDALE

Michigan-made liquid filtration: filters, strainers, separators, housings, and media. Including cartridge and bag media.

AMIAD / PEP / ARKAL

Automatic self-cleaning filters up to 22,000 GPM. Sand filters and auto-cleaning strainers ideal for cooling, process, municipal, irrigation, and industrial applications.

EATON FILTRATION

Formerly Ronningen-Petter filters. Bag filter and high cartridges.

XYLEM RO SYSTEMS

Reverse osmosis systems starting at 1GPM and sediment filters.

FUSION FLUID MIXERS

Michigan-made mixers: lab, tote, sanitary, industrial, air-driven, custom-designed.

SANITARY

Q-PUMP

Pumps, sanitary mixers, and direct replacement parts for Waukesha, Ampco and Fristam.

ENERQUIP

Sanitary, chemical and pharmaceutical stainless and alloy shell and tube heat exchangers.

INOXPA PUMPS & VALVES

Full line of sanitary positive displacement and centrifugal pumps, filters, fittings, and valves for the food processing industry.

PAUL MUELLER

Stainless tanks, steam generators, membrane based filtration skids, falling film chillers, bioreactors, fermentors, pure steam generators, multiple effect stills, CIP systems, and crystalizers.

SERVICES

PUMP REPAIR

Service and parts for most brands of pumps and pump accessories. Ask how ongoing maintenance and service agreements can keep your system up and running.

VALVE REPAIR

Testing, diagnosis, maintenance and repair services for all makes and models of valves.

STEAM TRAP AUDITS

Optimize efficiency with expert steam trap audits - save energy and money.

COOLING TOWER INSPECTIONS

Prevent unexpected failures with expert cooling tower inspections—reliable, fast, thorough.

HEAT EXCHANGER SERVICE

Plate and frame cleaning, gaskets for all makes and models.

PUMP AUDITS

Maximize efficiency and uptime with expert pump system audits.

BOILER PLANT OPTIMIZATION

Boost efficiency, reduce fuel costs, and extend equipment life with expert boiler plant optimization services tailored to your facility's needs.

BOILER HEAT EXCHANGER REPAIR

PECO Pump Skid

PECO Boiler Skid

PECO Filtration Skid
